HOURLY/EXECUTIVE WOMEN'S ALL-STARS SOFTBALL CLASSIC NEXT MONDAY

This coming Monday, June 15, all die-hard softball fans will be heading out to the Admin Area Softball Fields for the all-time classic: **The Tenth Annual Hourly/Executive Women's All-Stars Softball Classic.**

This annual encounter pitting our top management against two teams of hourly employees, both women and men, in a battle to the finish on the ballfields has proved to be an interesting event each year. In the past nine years, the hourly men's team have taken the win from the execs six times with the "old men" winning only three times. This year the hourlies have sworn to break the execs current winning streak of 2-in-a-row in the six inning game. The Women's All-Stars began their competition against the execs in 1978, winning their first year out. But the execs came back in 1979 and again in 1980 to have the tally read Execs 2/Women 1.

All the activities kick off at 6 p.m. when the specially priced food service begins. You'll just have to check out these prices! It's back to the "ol' ball park" with 10 cent hot dogs, chips, pop corn, ice cream, and soft drinks ... that's right, just 10 cents each!

The first game of the evening will be a six inning battle between the **Women's All-Stars and the Execs**, beginning at 6:30 p.m. After trophies are presented to the winning team you'll be treated to a special half-time show before the game between the **Hourlies and Execs begins at 8 p.m.** All games will be announced by our resident "pro" **Bob Matheison**, Vice President, Operations.

So bring your family and a pocketful of dimes, and we'll supply you with an evening of fun you won't soon forget. See you at the ballfields!

WITH A SNIP OF A RIBBON IT'S OFFICIAL

As you all know, the new Kinder-Care Children's Center opened to cast members on Monday, May 25, but the official Grand Opening ceremonies were held this past Monday, June 8.

The ceremony began at 10 a.m. when our 1981 Walt Disney World Ambassador **Robin Maples** stepped up to the microphone and welcomed everyone to this long-awaited grand opening. A special entertainment program highlighted the morning festivities with our Show Time Singers and Walt Disney characters singing and dancing to "It's A Small World." The ribbon was cut by **Perry Mendel**, President and Chairman of the Board, Kinder-Care Learning Centers and **Bob Allen**, Vice President of Walt Disney World Co., to officially open the center to our "world."

And as **Bob Allen** told the group gathered for this special occasion, it's really great to have Kinder-Care Learning Centers join our Walt Disney World family, helping us realize our dream to have quality child care service available to our cast members and guests.

Cast members who have not yet had an opportunity to visit the new facility are welcome to drop by at their convenience for a tour. The Kinder-Care Children's Center is open every day from 6 a.m. until midnight. And if you're interested in enrolling your child in their "learning while playing" program, call them at 827-KIDS.

TOKYO DISNEYLAND — TAKING SHAPE

Progress on Tokyo Disneyland is very encouraging according to Tokyo Disneyland Vice President **Frank Stanek**.

Facility construction began in mid-April and every effort is being made to insure that the park is ready for guests by the spring of 1983.

Our Disney staff in Japan has noted a remarkable amount of cooperation being extended by our Japanese partners in this exciting project.

As a final note, the area in which the project is located, Urayasu, was recently incorporated as a city. In celebration of the event, **Dick Nunis**, President of Walt Disney Outdoor Recreation, wished the new-born city well and promised that just as Disneyland had made Anaheim a very special city, Tokyo Disneyland would help assure Urayasu's national prominence.

OH, WHAT A BEAUTIFUL MORNING!

There wasn't a cloud in the sky over the Magic Kingdom when 4,000 cast members gathered before dawn to reenact the now-famous Life Magazine cover portrait of the opening day cast in front of Cinderella Castle. And we're lucky it didn't rain ... who knows if all those cast members would have been able to get up again the next morning!

Anyway, everything went just like clockwork. The cranes holding our photographers went up at 5:30 a.m. Everyone arrived on time (well, almost everyone) and the colorful "10" went up and stayed up on cue, thanks to the large group of cast members from the Contemporary Resort Hotel. And the park was still ready to open at 9 a.m. sharp — we'd run out of cities to say "Good Morning" to anyway!

To everyone who came in **real** early to either set up for this historic shot, or to participate, a great big thanks! To those of you who stayed in bed — you missed a really beautiful morning!

ONE CAST MEMBER'S VIEW

Editor's Note:

This note appeared on the Emporium bulletin board the afternoon of our Tencennial photo-taking venture. We'd like to share it with you.

Hey Gang,

We sure had fun at 6:45 a.m. this morning. Everybody on opening shift went to the Tomorrowland area of the parking lot and waited until 7:15 a.m. when our group "H" went out on Main Street. We saw some band members on the top of the buildings so of course a few people yelled for them to jump. "We'll catch you," they said. Would you have trusted them?

We jumped up and down and yelled "That's Incredible!" for some TV show; then we saluted (in another take) and said, "Good morning, Captain!" Later we waved with our left hands and said "Good morning, John" (for the John Davidson Show), then we waved with our right hands and said, "Good morning, Mike" (for the Mike Douglas Show). We did an EPCOT Center promo where we raised our right fists and said, "We Can Do It!" Then we spent about a half-hour saying "Good morning" to Boston, Pittsburgh, Chicago, Florida, and more. Then we sang, "Happy Birthday to Us." Ain't it exciting?

So we finally took the still photo and the director let us go back to our areas while the characters were "frozen" in position and they used time-lapse photography. Look for us on the cover of "Life" someday.

This messed up the schedule so bad today that I'm getting a 10 a.m. lunch and one 15-minute break. Oh, the sacrifices of show biz!

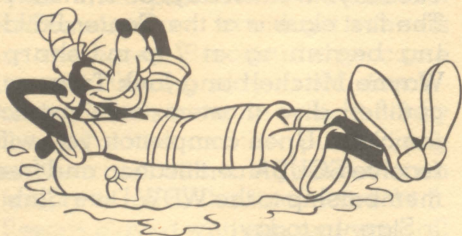

Your friendly opener,
William Iverson

NEWS

IT'S SUMMERTIME!

The fun begins at **11 a.m. and lasts all day!** You'll be able to enjoy all those "S" activities (sunning, sailing, and swimming) that are always available at Little Lake Bryan.

But watch out for all those wet events! We've got crazy games for kids of all ages from 4 to 84. Join in the water balloon toss or splash away during the innertube races. Anything to get you "wet" into summer!

If you forget your picnic baskets, Outdoor Foods will be providing picnic lunches at reduced rates at the screened-in porch.

And when the sun goes down, the party continues with the first **Sand Dance** of the season. **Jabril Alexander** and **Lee Thomas** will be spinning the discs from **8:30 p.m. till 12:30 a.m.** Their super sound system will cause every toe to tap and every finger to snap. Just imagine dancing in the sand under the stars to the best sounds around.

Remember June 27 at Little Lake Bryan for a full day of activities. It is free admission to both events for Disney employees and their immediate families or one guest per employee. Start your sizzling summer at the Welcome to Summer picnic and Sand Dance.

COMMON COURTESY AT THE LAKE, PLEASE

Little Lake Bryan is **your** facility. It was designed for the exclusive use of Walt Disney World cast members and their immediate families. And to make the visit enjoyable, each cast member is allowed to bring one guest with them when they come for a day at the Lake.

But with close to 15,000 cast members, it's important to remember common courtesies so that **everyone** can enjoy their day. And with summer here, it's even more important to follow these Little Lake Bryan policies:

- Walt Disney World **cast members with a validated ID** may use the facilities with their immediate family and one guest.
- Everyone visiting the Lake must **register at the office upon arrival**.
- Children 15 years of age and under **must be accompanied by an adult** 18 years of age or older **at all times**. Parents are not allowed to "drop off" their children, leaving them unattended.
- Picnics are allowed, but please, **no glass containers**.

Your cooperation in following these policies will help make everyone's visit to Little Lake Bryan a little more enjoyable.

CAN YOU CANOE?

That's going to be a popular question throughout Walt Disney World over the next few weeks as veteran paddlers acquire novice members for their 1981 Canoe Crew.

That's right folks, the 1981 Canoe Races of the World are upon us. What are the Canoe Races of the World, you ask? Well, it is just one of the biggest and most exciting annual events sponsored by Cast Activities all year long!

The Canoe Races of the World began in the summer of 1973. Since that early morning beginning years ago, hundreds from all over Walt Disney World have formed teams to battle one another for the top spot in three divisions: Mixed, Men's and Women's. And in 1975 a special format was designed to determine which of the three winning teams was THE Canoe Champion of the World.

This year, as in the past, the grand finale of the summer races will have the three winning teams compete against each other on a handicap basis to determine the victor. The scores for the Canoe Champion of the World in the past few years has shown the **Men's Watercraft Team** reigning in 1975 and 1976, the **Fort Wilderness Ladies** stealing the title away in 1977, **Facilities Mixed** holding it in 1978 and 1979, and **Fort Wilderness Marina Mixed** taking the first championship of the 1980's. But can they defend their title against this

Continued on page 6

year's competition? Will you dethrone them?

Well, there's only one way to find out — get yourself a team and compete! Each team must have 10 regular members and two substitutes to join in the competition, but you can have as many "extras" as you like, just as long as there are 10 showing up for the competition. Each team will be assigned to two practice sessions, two weeks in a row before the week of time trials before the semifinals begin. Now if you're with us that's six times out in the canoe!

During semifinals your best time will be taken to determine the five teams who will compete in the finals for their division. Then it's on to the championship round to determine which division is the toughest!

Some new innovations to increase competition are being planned this year, so don't miss an all-important **Signup Meeting** at Cast Activities on **Thursday, June 25, at 7 p.m.** This will be your opportunity to fill out a Time Selection Sheet which will certify the days and time your team will practice. A second meeting is scheduled for Thursday, July 2, at 7 p.m. for team captains to turn in complete team rosters and to receive specific details about the competition schedule.

So don't delay, get your team together today!

RESORT RAIDERS LADIES TAKE THE GOLD

In a stunning reversal of the odds, a charging **Resort Raiders Ladies'** softball team stormed back through the loser's bracket to defeat **Ops/LaFemme** by a 14-3 score, and win the Ladies' Softball League Spring Championship.

In this key contest to end the season, the Ops team, batting first, came out swinging to plate three runs. The Resort gang answered back with two runs in the bottom of the inning, and from that point on, though the LaFemme team would get runners on the bases, Resorts always came up with the big play to end the inning. Resorts went on to lead 8-3 by the end of four, and then put the icing on the cake with a big six-run sixth inning to make the final score 14-3. Resorts played with vim and vigor all through the tournament and, although behind in some contests, always had the spirit to bounce back with a key hit in the right place or a sparkling fielding play.

Summer/fall season play will begin for the Ladies' on Monday, June 22, and all interested are asked to call Cast Activities for more information.
